

Did You Know?

Columbus County has one of the lowest rates of children receiving well child screenings in the state.

If your child has Health Check (Children's Medicaid), changing this number is as easy as 1, 2, 3!

1. Identify your child's **medical home.**

Need Help? Call Mitzi Ward at 640-6615, ext. 372 for assistance.

2. Make an appointment for a **well-child checkup.**

Call your doctor or call Mitzi Ward at 640-6615, ext. 372 for assistance.

3. Keep the appointment.

No transportation? Call 641-3929 to see if your child qualifies for free medical transportation.

The Columbus County Partnership for Children seeks to provide the options and resources necessary for children to enter school healthy and prepared to succeed. Presenters are available to visit businesses, churches, civic or community organizations to further explain Smart Start. Call 642-8226 to schedule a presenter. Visit the Partnership on the web at www.columbusmartstart.org.
